A focused walkthrough of how support/resistance zones form and the role-reversal concept covered in this lesson.

Investopedia — Support and Resistance Basics

<https://www.investopedia.com/trading/support-and-resistance-basics/>

A clear, beginner-friendly overview of identifying and using support and resistance levels.

Investor.gov

<https://www.investor.gov/>

The U.S. Securities and Exchange Commission's official investor education site. Search “support and resistance” or “technical analysis” for plain-English background.

Investopedia

<https://www.investopedia.com/>

A huge library of plain-English financial explainers. Try searching “support level”, “resistance level”, and “breakout” for beginner-friendly deep dives on the concepts from this lesson.

Reminder: support and resistance describe how price has behaved before, not a rule it must follow next time. Levels do fail — pair them with trend and volume rather than reading them alone.
