FURTHER READING

Want to go deeper on candlestick charting? These are free, reputable, well-known resources worth bookmarking.

StockCharts ChartSchool — Introduction to Candlesticks

<https://chartschool.stockcharts.com/table-of-contents/chart-analysis/candlestick-charts/introduction-to-candlesticks>

A focused walkthrough of candlestick history, formation, and how to read the body/wick shape — the natural next step after this lesson.

StockCharts ChartSchool — Candlestick Pattern Dictionary

<https://chartschool.stockcharts.com/table-of-contents/chart-analysis/candlestick-charts/candlestick-pattern-dictionary>

A reference list of the named multi-candle patterns (hammer, engulfing, doji, and dozens more) once you're ready to go beyond single candles.

Investopedia — Doji Candle

<https://www.investopedia.com/terms/d/doji.asp>

A deep dive on the doji shape covered in this lesson — its three variants (gravestone, long-legged, dragonfly) and what each tends to signal.

Investor.gov

<https://www.investor.gov/>

The U.S. Securities and Exchange Commission's official investor education site. Search “candlestick chart” or “technical analysis” for plain-English background on reading price charts.

Investopedia

<https://www.investopedia.com/>

A huge library of plain-English financial explainers. Try searching “candlestick pattern”, “doji”, and “OHLC chart” for beginner-friendly deep dives on the concepts from this lesson.

StockCharts ChartSchool

<https://chartschool.stockcharts.com/>

A free, well-regarded reference on chart reading fundamentals, including a dedicated section on candlestick basics and common candle patterns.

Please note: these are general educational resources, not personalized financial advice. Always do your own research or speak with a licensed financial advisor before making investment decisions specific to your circumstances.
