FURTHER READING

Want to go deeper on ETFs and index investing? These are free, reputable, well-known resources worth bookmarking.

■ Investor.gov

<https://www.investor.gov/>

The U.S. Securities and Exchange Commission's official investor education site. Search “ETFs” or “index funds” for plain-English guidance on how these funds work.

■ Investopedia

<https://www.investopedia.com/>

A huge library of plain-English financial explainers. Try searching “exchange-traded fund”, “expense ratio”, and “index fund” for beginner-friendly deep dives on the concepts from this lesson.

■ U.S. Securities and Exchange Commission (SEC)

<https://www.sec.gov/>

The official U.S. markets regulator. Publishes investor bulletins on ETFs, including how they differ from mutual funds and what to check before investing.

Please note: these are general educational resources, not personalized financial advice. Always do your own research or speak with a licensed financial advisor before making investment decisions specific to your circumstances.
